QR Code Link to This Post I am an experienced Marketing consultant and freelance social media manager looking to take on more clients that want to grow their presence online. I have worked with clients in all kinds of industries and have experience with creating campaigns tailored to their needs.

- I can assist you with:
- content creation
  - brand development
  - engagement
  - photography
  - videography/ editing

Take the time to invest in your business by creating a visual aesthetic that will draw customers to you and your products! Send me an email and we can get started. I look forward to working with you :)

Please no MLM!
