

ConClassifieds.com Need someone with trailer or Box Truck to haul tree limbs in Roswell (Roswell)

Location Georgia https://www.genclassifieds.com/x-786030-z

QR Code Link to This Post I've had about four tree limbs fall down on my property and I need them hauled away. A 12' trailer would be ideal. Let me know what kind of transportation you would be using, send your contact phone number and whether or not you would be able to do this tomorrow, Thursday, December.
