QR Code Link to This Post Greetings,  
I'm looking to hire someone to clean and check in guest at my vacation rental. I do corporate rentals and I have several contracts with different companies. You must have reliable transportation and you must be available to check the guest in. Please respond with a picture and any experience you may have.

\$80 per clean  
\$20 per checkin

Make \$100 easy

Thank you,  
Winter
