QR Code Link to This Post Hi! We have a room upstairs in our townhouse we are looking to rent out for \$700. All utilities will be included and there is a private bathroom located directly next to the room. Must be dog friendly as me & my fiancÃ© have two dogs and our basement roommate has a medium sized and tiny teacup dogs. Full access to rest of house, such as kitchen & laundry. Need someone to move in by or before Jan. 1. We are all in our early-mid 20's and would prefer only one person for the room. Please contact me directly by text or email if interested and for pictures. Thank
