I pray everyone here has a merry Christmas but people on craigslist are the meanest cruelest bunch, I'm positive evil people come here to make other's feel bad PLEASE ignore them, they are the true losers.

We sleep on a freezing cold hard floor YES my child has a bed, I want so so bad to have our king bed back, I wish everyday we had a television, our propane is low but we have a place to live, we eat and we are bouncing back from our loss. Don't let lack of Christmas bring you down just be thankful to be.
