QR Code Link to This Post Boogie went out yesterday morning, 12/12/2017 11 AM and hasn't come home. We have been searching all day I am in complete panic mode. He has his collar on but not his vest or cards with my info on them. He is a registered service animal. He needs to be found quickly. Lost off Goff Ridge Rd and Chestnut Ln. In Pineville Missouri area close to Bella Vista Arkansas. Black and white pit bull. Blue service animal collar with a DO NOT PET label. He does have a rabies vaccine tag on the collar. If found PLEASE call

I am dependant on this animal for my daily life. He is medical alert trained and has NEVER went outside for more then 10/15 minutes for his potty breaks. When he didn't come back immediately I knew something was not right. He has been gone all day we havent seen him since 11 AM. It is cold and he is not an outdoor.
