QR Code Link to This Post Comfortable room for rent in Stapleton. Private room, shared bath in a newly remodeled home. Furnished or unfurnished. I am clean but not a neat freak. Cable, WIFI, W/D, off street parking. Great back yard. If you have a cool dog...AWESOME!!!

Requires 1st month, last month and pet deposit, references and simple background check. I am safe and normal and want the same from you. 6 or 12 month lease acceptable. I love living here and so will!
