QR Code Link to This Post Cedar Valley Management is a well established almost 30 year old multi state company that is still a rapidly growing home improvement company with an office located in Bentonville, AR. We are currently looking for an individual to join our family. Must be able to look and act in a professional manner. We are specifically looking for someone experienced in carpentry and tile work.

Successful candidate will have their own transportation suitable for construction work, as well as, being able to provide their own tools, liability insurance, bond and work comp. If this sounds like you please send us your information as well as a list of skills and any pictures showcasing your prior work. Pay is proportionate to experience. We pay double what everyone else pays cause we been in business 20 years longer and have more jobs and can afford to!
