QR Code Link to This Post Angel Heart Home Care, LLC, formally Rieaya Home Care, LLC is now hiring ambitious individuals for all personal care provider positions. Get paid training, and no experience is necessary. The duties you'd perform can be found on our website, in detail, at www.rieyacare.org but the main duty is to assist handicap and elderly individuals to maintain their independence within their own homes. This includes cleaning, cooking, shopping, laundry, companionship, and more. Starting pay is \$10 per hour for new employees, and \$11 per hour if you bring your own clients.

We offer relative care, personal care, and homemaker services which are Class-B non-medical classifications, or non-skilled. We are not a CNA office. We do work with outside agencies when a client needs both CNA and PCP/HM/CS care.

You can get a 1 time bonus for referring clients, once they've been active for 30 days. And you are encouraged to refer clients/bring your own.

We are located in Colorado Springs, but offer services/employment in 7 counties across Colorado. We are licensed and Medicaid certified. Training can be done in your local area. In other words, you do not have to come to Colorado Springs. This is part time. You must be at least 18 years old, have a valid drivers license with reliable transportation, and must be able to pass a background check. Some background check items can be approved, please inquire upon applying.

To apply, please email your resume and/or a summary about yourself, why you'd like the position, why you would be good at it, and please mention whether or not you are bringing your own clients. Emails can be sent
