QR Code Link to This Post Bike is very fast and reliable, put new engine on the bike which only has about 1500 miles, new racing slicks on front and back, bike has led lights inside body for night show, new bearings in front and back wheels, tune up, oil change, new blinkers in back, everything under neath fairings is all done and new. Has some cosmetic damage, but you can buy all fairings, seat, and mirror for under 500 on ebay. I priced everything and the bike is completely done. Price is.
