I will respond you via email so check your email or your spam box because I have replied to a few people and they haven't gotten back to me so I can only assume they were scammer/scammer. Please don't waste my time with a low ball offer. This sells for \$183 on Amazon and I think \$125 is a fair price. If you are interested in the lawn mower please email me and arrange a day that we can mutually agree on..... thank you

If this ad is up it is still available..... don't ask me if the lawn mower is still.
