QR Code Link to This Post This is a beautiful custom telecaster made by a local shop in Winchester VA. Its really tough to find a reclaimed pine guitar at this price most are around \$2k. I am not desperately trying to sell. Just need other gear more. Looking for a Blackstar MKII Amp, but willing to entertain all reasonable offers. It is in perfect condition!

Reclaimed pine body, Dragonfire Texas Blues Tele pups, Gotoh modern bridge, Best Guitar Parts all maple neck. Played through a Peavey Vypyr 30, Models = Fender Twin, Plexi, Recto and 6505
