We ordered this \$6500 for my daughter who was 4 1/2 feet, 50 lbs. She never had chance to use it....
Please google this excellent product if you think your child is within the high and weight measurement, should be good for all big kids.
We do hope this can go to a good home to help a child who needs it. You might know Most of insurance does NOT cover this item....
Email me with any question.
You will need a minivan (with second row out or fold down) or a pick up truck to pick up. Cash only.
Come and look, you won't regret.
