I have trucks and trailers -including a horse trailer and small livestock trailer- for light to medium hauling. I can transport horse, cattle, goats, hogs, chickens, turkeys, peafowl, geese, etc. in my livestock trailers as well as dogs, cats and other pets in the cab (size permitting). I've transported parrots, snakes, monitor lizards, and a \$30,000 goldfish (!)

I also haul hay bales, wood, pipe, etc.

I make regular trips throughout Alabama and Georgia and adjacent areas of Mississippi, Florida, Tennessee and even South Carolina. Other areas possible. Give me a call and we'll see what we can do!
