QR Code Link to This Post I have recently acquired nearly 5,000 used Hemlock and Fir peeler treated fence posts measuring nine feet long, and 5 to 7 inches in diameter. They were used by a large vineyard located in an area where the soil is mostly volcanic in nature, keeping the lower ends of the posts relatively dry. I am asking \$10.00 each for them, with a discount of \$1.00 each for purchases of sixty or more posts, and a \$2.00 discount for 125 or more posts. The buyer can choose the posts, and they are easily accessible for loading, at my home on highway #20 in Nice, Lake County. Local Delivery is.
