16Gb RAM
250GB HD, SSD
Core i7 2.3 Ghz

Fresh installation of Mac OS High Sierra

Works great, just got a new laptop for work. Screen in great condition, no scratches, no dead pixels. Top of case has two small dings, dont affect screen at all.

Comes with two chargers, one with some frayed cords but still works, another in great shape, both Apple originals.

If ad is still up, its still available. No low ball offers. In person.
