We understand that this is a difficult time for you, but maybe we can help each other. We are Laura and Owen, a loving New Jersey couple in our early thirties, who have been married for almost 10 years, and we are longing to bring an adopted baby into our lives.

We are looking to adopt a baby of any race or gender, and since this will be our first child, your baby will be the sole focus of all our love and attention. Owen works in Finance and Laura is a musician who will be a stay-at-home mom. We love music, animals, traveling, summers at the beach, and cooking and hope to share these things as a family. Your baby will be surrounded by constant love and support from our tightknit family. Adoption is part of the fabric of our family as we have several adopted family members and everyone is overjoyed at the prospect of a new baby!

We promise your baby endless unconditional love, joy, laughter, a solid education, and financial security. We won't ever let a day go by without telling them how much we love them! We live in a beautiful, safe, friendly neighborhood filled with other young families, in one of the best school districts in NJ. We also have a very diverse group of friends that all have young children and they will provide your child with additional love, support, and friendship.

If you feel comfortable, please call us at , email us at or visit our website www.lauraandowenadopt.com to learn more about us. We look forward to hearing from you and would love to get to know you!
