QR Code Link to This Post Hello!

We are doing a bicycle trip from the Southwest to Florida. So, we are looking to ride one way from the midwest to somewhere in the Southwest (we are flexible in terms of destination). There will be two of us (Carmen, 25, and Elise, 22) and an 8-pound maltese-poodle (doesn't shed). We will split the cost of gas and we are willing to help with driving, too. Feel free to text me if you are headed that direction and I'm happy to provide identity verification and all that jazz.
