QR Code Link to This Post I am manager of a men's softball team called Field Force. We play in the Kansas City Senior Softball Gold League. The largest league of its type in the USA, between 7-800 players. Dont let the name fool you, these are excellent players. If you are between 48 and 54, and consider yourself an above average player with experience I am interested in talking with you.

I am looking for players for the 2018 season. I have an opening for a couple of players.

Our objective, is to have fun, and to compete and play well. Players come from all over, K.C., Johnson Cty., Lawrence, Independence, etc. If your interested call or text, .
