QR Code Link to This Post Doggie Latchkey is looking to add pet lovers to our wonderful staff!

We have current and immediate need for pet sitters with DAYTIME availability in the areas of Novi and Northville.

Our pet sitting assignments generally fall into three categories. We offer daily visits which usually consist of a dog walk mid-day primarily on weekdays. We also offer vacation pet sitting that typically consists of three daily visits, morning, noon and night. We also offer overnight pet sitting where you will sleep in our client's home and be with their animals overnight. Overnights are not required. All of our services take place in our clients' homes, so you must have a clear criminal record, a valid driver's license and be able to pass a background check.

We hire on an independent contractor 1099 basis and you are free to accept or decline assignments as you choose. We love to work with part-time pet sitters as well as those that care for animals full-time and already operate their own business.

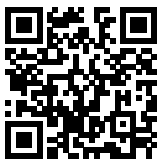

We are a professional pet sitting company and value detail orientated pet sitters. We have a wonderful scheduling and information system online that will make it easy for you to access all of the job information on the go from your smartphone and from your home computer.

If you are interested in learning more about working with our company, please respond and let us know which areas you are willing to work in and travel to as well as your daily availability. We will be hiring several pet sitters to cover a variety of time slots and locations.

Please include your email address and phone number.
We look forward to hearing from!
