QR Code Link to This Post Hey there, I'm 24, I'm mentally disabled due to my intense anxiety and Tourette's Syndrome and I'm looking to find a place to perhaps get into college in Kansas City. I receive about \$800 monthly guaranteed income and I pay my bills on time. Basically, I'm moving to get a fresh start and do something with my life. I'm thinking of moving in January and I require no special assistance or anything, just an understanding environment. I'm a socially awkward, but I'm pretty.
