QR Code Link to This Post Looking for a female roommate. That time of year again. Cold & lonely out there. Free or discounted room at \$200 in exchange for help. I have documented disabilities of anxiety and depression and could use some assistance. No heavy drinking, drugs or partying. Christian background welcome. Could use a friend during these hard times. Going through a lot and I'm a very caring person who would like to help someone and receive help in return. I have a few businesses that could use help also in terms of marketing & partnership. These are legitimate businesses that you would be well compensated with also.

First please send pics and background info. in your reply.
