This would be an unconventional position, but for the right woman, could prove to be ideal. It requires the following:

- 1) You be located in Los Angeles proper (Beverly Hills, W. Hollywood, N. Hollywood, Studio City or Sherman Oaks are all ideal)
- 2) You be reliable, honest, with prompt communication and response times.
- 3) Can honor confidentiality and discretion.
- 4) Are open minded and nonjudgmental.
- 5) Be at least 20 years of age, but not older than 35.
- 6) Have reliable transportation and be flexible with hours (early mornings or late evenings are good)
- 7) Be physically attractive and fit.
- 8) Good with a computer.
- 9) Open minded (can't stress this enough).

I'm seeking a personal assistant, someone who can do assignments when needed, work from home occasionally, and essentially be my "gal Friday." I will dive into more detail with those who inquire and meet the above requirements. This is a position that could pay very well for the right gal.

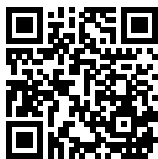

If interested (and truly open minded), please respond with your name, cell # (where you can be reached by text), and at least 2 recent photos. I look forward to hearing from you, and hope to make something.
