QR Code Link to This Post Black Tent Revival, an established original rock and roll band, is currently seeking a solid, Bonham-style drummer.

We are looking for someone who:

- has an understanding of dynamics and a solid, pocket groove
- is able to hit the ground running (we have gigs booked!)
- has transportation and is reliable
- is preferably in their twenties or thirties
- wants to take over the world

A little about us: our sound is influenced by iconic sixties/seventies rock and roll bands such as Zeppelin, The Stones, Aerosmith, and AC/DC. We have had some modest success winning the 2012 Harley Davidson Bike Week BotB, and the 2013 Orlando Hard Rock Rising BotB. We have also opened up for national acts, have been featured in national magazine Music Connection,

have been played regularly on WJRR's Native Noise, and our music will be featured in an upcoming documentary about radio personalities, Tom and Dan.
