QR Code Link to This Post My name is Gregg Deason, I'm with Keller Williams Classic in Clermont. My company is working with an amazing Lease with Right to Purchase program. If you qualify for the program, you get to pick a house that is FOR SALE based on your approved rent, in a community where they purchase and you would get to rent that house. The investment firm purchases the home, and you are only obligated to a 1 YEAR LEASE term at a time, with a right to renew your lease up to 5 years*. You can purchase the home at any time for a pre-agreed upon price. Call for more information!
