   QR Code Link to This Post Hello, I am looking for people preferably with cars throughout New Castle County who might like some quick extra cash! Because I do not have a car and I like to pickup stuff for my business quickly, I am looking for people who can do it for me and I can offer compensation for it! If you are in Newark, Pike Creek, Wilmington, etc. or anywhere in New Castle County that works out! This is not a full time job or a part time job, it's more like when I need something picked up and all. I shall pay you extra $ to pick the item up! I am trustworthy, reliable, hold my end of the bargain, and try to be the best person I possibly can! I can pay you via cash, Venmo, Square cash, etc. for the jobs completed! For more details, contact me at
 ! Thank!
