QR Code Link to This Post Hello,

I have a furnished room available, in a beautiful Victorian house in the Savin Hill area of Boston. It is near the Red Line (Savin Hill and JFK/ UMass stops and bus stops). There is off street parking. It is close to UMass Boston, I-93, convenience stores, banks, restaurants, shopping centers, beach, library and much more. 10 mins to Downtown. 10 mins to Logan Airport. House has wall-to-wall carpeting, large eat-in kitchen, large bathroom, extra room/ space, beautiful back yard and wifi. Quiet environment. No smoking (cigarettes/ pot/anything else), no animals, no guests sleeping over. \$600 (utilities not included), month-to-month. House is very clean and that standard of cleanliness is expected to be upheld. No exceptions. About me: I'm a young professional, pretty quiet and laid back, clean, like to just hang out when home. Available February 1, 2018. Please let me know if you are interested in taking a look at the place. Thank you.
