QR Code Link to This Post This property is modern and bright. There are large windows looking out to a huge backyard with a pool. There is a large open kitchen with plenty of storage and with newer appliances including a gas cook top and front loading washer and dryer. There is a secluded patio in the front, which makes for a lovely garden. There is a carport with a locking gate and lots of additional parking. This mid century modern gem comes with stained concrete floors, High Ceilings , Garbage Disposal, Dishwasher , Art Niches, Carpeted Flooring, New Carpet, authentic wood beam ceilings, tons of natural light, and full of character and charm. The backyard has several patio spaces perfect for BBQing and entertaining next to the large pool. As a resident, you will enjoy the unmatched customer service, nearby shopping, dining, and more. Pool maintenance is included with the lease. This neighborhood is quiet and cute with lots of people walking their dogs and jogging in the mornings and evenings.
