QR Code Link to This Post Male Pomeranian looking for a new home . He's 1 years old prob 7 pounds all black with a hint of white on his chest...He's potty trained to use it on pee pad,and up to date on all his shots.He's very active so need to be with someone that have time to play and take walks with him....He's really a good dog he's good in apartments don't barks much unless he's playing. He's okay with baths but hate getting brush and comb he move around a lot so I keep his hair cut low so it won't knot up but u can let it grow out long if u have the time to sit with him....He like sleeping with me in the bed but do well in his cage too sometimes he prefers it...He's not a picky eater but he will over eat if u don't stop him LOL ..I really want him to go to a good home I have a small rehoming fee of 150 first responsible owner comes gets him. .BTW he's not a outside dog Poms are kept.
