QR Code Link to This Post I have a 10 month old, English mastiff, AKC registered with all documents available. she is a full time inside dog and is fully house and potty trained .she's 135 lbs. (at nine months, google mastiff weight chart).shes not fat or obese. She has not had her 1st heat yet. She is very loving and great with older people and children. Shes is great with cats and other dogs. She is not a guard dog, she has zero aggression. Zero aggression. The rehoming fee is solid. The rehoming fee includes kennel all AKC documents and family tree also includes all rights. The fee is non-negotiable if you cannot pay the fee do not bother trying to haggle, chances are if you can't afford the fee then you can't afford the this breeds day to day care. this is a living being not a car. fee is the average cost of the breed with full AKC rights. please do research or be familiar with Akc english mastiffs. her name is.
