If you tried lessons and were disappointed I urge you to give me a try. You will NOT be disappointed.
I teach at several studios across the state as well as in my own well equipped home studio.

I teach guitar, and bass full time but can also teach piano mandolin ukelele and voice as well as keyboard/synth/ MIDI /Audio etc....

Why choose me?

* Qualifications. I have 20+ years playing, and 10+ years teaching. In addition to a Bachelor of Arts Degree in Music, I have studied privately with some of the best musicians in the Northeast.

* I have extensive experience on stage and in the studio

* In addition to the standard guitar practices of Classical, Jazz, Rock , Blues and Metal, I have experience in more "cutting edge" musicianship such as :
World/Eastern music, fretless guitar, EBOW, Looping, Guitar Synth, 7 and 8 String guitar etc.....you'd be hard pressed to find a more versatile musician

* In addition to musicianship related items, I have extensive experience with all music related technologies including: Digital Audio/MIDI, Sampling , Synthesis, instrument and amp modeling ,recording etc..

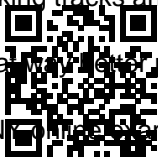

* Students have access to custom made backing tracks and other tools available online in audio and video formats.

Students can get repairs on the guitar or a new guitar at prices that are very reasonable. Guitar shops are charging too much.

Contact me for the BIO and links to MANAGE my examples of my playing and recording production as well as available YouTube posting.

Have a look at one of the 200 plus videos I have made here:
