QR Code Link to This Post We have available, out of our show stock, 2 adorable male Peruvian guinea pigs. Peruvian guinea pigs have long hair that may need some grooming. Guinea pigs make excellent pets for children. These guys are 4 weeks old and ready for new homes. I do work in Omaha and can bring them to town with me. They are available for the reasonable adoption fee of \$30. In pet shops they are \$60. I have included pictures of the babies first and what their hair will look like as adults.
