QR Code Link to This Post Hi. I've recently taken in a stray kitty that I cannot keep. I would much rather find a home for her than take her to the humane society. Unfortunately my son is allergic and my landlord does not allow pets, but for the time being she's staying with me because I couldn't bear to leave her out in the cold. She's very sweet and loving and loves to cuddle. Let me know if you're interested in meeting
