Cute Harlequin and Solid Black Great Dane Please read before contacting Us.I have two Harlequin males and a female Great Dane puppies who are 14 weeks old and about 18-20 pounds. first set of shots. I'm looking for a home with a big back yard with lots of room for them to run and play.They are great with kids and other dogs and cats. It kills me to do this but I have no choice due to a family emergency. I'm asking rehoming fee. They will come with some playing toys, crate and some left over food. If interested please contact me! , We're about 14 weeks old, sweet, friendly, playful, and we'd really like to stay together, but understand not everyone can take on 3 large furbabies like us. We'd miss each like crazy, but finding a home is what's most important now. Someone please, want us as your furbabies, please give us a forever home. We want lots of love, we want to snuggle with you, and promise to give you all our kisses. We don't go potty in the house.Email Back with your phone number for quick response.
