QR Code Link to This Post AKC full registration 3 month old female wooly agouti Siberian husky. UTD on ALL puppy shots. Have all veterinary paperwork. Would most likely be best as only dog. She's a beautiful, good dog, unfortunately, she just isn't doing well with my year old dog. (Must have experience with huskies or similar breeds.) Full of energy. Loves people. Will meet in , Vincent, and nearby areas. \$200

\*crate training\*

Sleeps in crate at night quietly. Does well on housebreaking if you watch her, and take her outside soon as shes let out of the crate.
