

Later when we establish a writing relationship we could start with music first and you write the lyrics to it.

5) Drama free, as it's not about egos but rather about great songs and fun. First fun for us and then for the whole world. LET'S WRITE HIT SONGS TOGETHER.

4) Too self centered to work in a collaboration.

If you think I have unreasonable demands then you and I aren't a good fit.  
If I like me, you think all of these are essential for a good life, then congratulations, you're the one I'm looking for.

## Collaboration
