As we near the end of 2017, here is your chance for big savings on that painting project! We at Klein Painting are going the extra mile to make the most of the season by discounting our regular rates by 20% through December 31. Now is the perfect time to get that painting project done and done right, at a very substantial savings!

Call us at Klein Painting. We love to paint and our attention to quality and detail is second to none. We're clean, friendly, highly affordable and easy to work with. We show up on time and finish when we say we'll finish, and our pricing is the best value you'll find in Omaha.

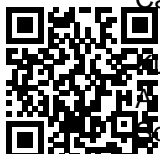

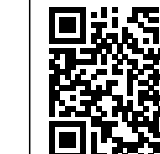

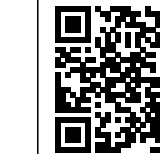

We believe your property deserves the best paint job -- one that will stand the test of time and not fade away shortly after you've paid for it. Painting your space will provide you with an incredible sense of pride and ownership.

We use only quality paints from the best suppliers, taking advantage of our substantial contractor discounts. We don't believe in sacrificing the quality of your job by using cheap generic brands just to cut costs when the real result would be a short-lived finish. Of course, if you'd like to purchase your own paint, we are happy to advise you on your purchase at no extra cost.

We offer complete services -- interior, exterior, wall prep, wallpaper removal, and numerous other services -- for large or small jobs.

So if you have painting work to be done -- whether it's one room or the whole house -- we'll be happy to run over and take a look, and give you a free, no-obligation quote.

Call John today at and we'll get right out to you with a free estimate at our specially discounted end of 2017 rates.
