If you're looking for a home or condo on Maui it's smart to work with one agent that has your best interests in mind. Many buyers try to search on large real estate websites, many of which are outdated, and call many different agents regarding homes for sale.

The best strategy is to hire an experienced agent that will work with you from start to finish. I will first figure out what you're looking for, answer any questions you have about different areas of Maui and help you find the perfect home for your criteria.

Call me today and I'll get to work.

Aloha,

Bettye Maxton, Realtor, Notary KW Island Living 95 E Lipoa St, A212 Kihei, HI 96753 bettyemaxton.kwrealty.com
