QR Code Link to This Post Me and my wife had bought several homes in the area recently off the market. The bad thing is that these homes aren't in a great condition. We are planning to fix these homes properly and eventually rent them out to people. Since our schedule is hectic, cleaning these homes properly is not possible for us. We are searching for 3 to 5 individuals who would not mind having their hands filthy! We supply the required things for the job such as gloves and water and in order to keep you energized during work, we offer a free.
