

## 75 if you can take a car front bench seat to Los Angeles for me (Indianapolis)

QR Code Link to This Post If you're driving to L.A. in the next few days or week in a van, pick-up truck, SUV or wagon and can make a quick stop in Indianapolis, can you take a front bench seat for a 1972 Oldsmobile and a few other smaller pieces for me from Beech Grove? The seat back folds over flat onto the seat. I'm offering \$75 for the ride along and you'll have someone to load and unload it at either end.

Plus, a beer in L.A. if you have time :-)

Thanks,
