QR Code Link to This Post Selling my 6 month old bearded dragon
He's really cute and his beard can turn completely black during the day, and he loves to run around and cuddle.
He has a small tail nip, but he is super friendly and he's also a great eater.

he does not come with a tank

I am selling him with:

Decorations

Heat lamp (day light & night light)

Heat pad

Basking rocks

Hammock

Food and water bowl

2 hides

Thermometer/ hydrometer

UVB light and fixture

I NEED HIM GONE ASAP! \$100 OBO

I will need to see a tank ready for him before I sell him. Needs a 40 gallon breeder or bigger. Nothing less.
He needs a good home where can get lots of love and.
