QR Code Link to This Post We are actively looking for people for who want to earn a side income and are willing to do the work. This position involve door knocking. The people selected will be given a list of houses to door knock on as well as all of the tools they need in order to close the sale. All you need to do and to bring in a lead (someone who is willing to sell their house), earn $10 for the deal up front (if the lead is good which you will know how to distinguish after the training) and we will do the rest. Your name will be on all of the legal paperwork to make sure you get paid at the end. Everything is clear and precise. You bring in a motivated lead, we buy the house, you get paid at the end. We have 10 position available. There will be a 30 minutes training after the phone interview.

FYI: This position requires the candidates to be friendly, respectful, and enthusiastic. You will do great by having these qualities than not.

WE DO NOT RESPOND TO TEXT, ONLY PHONE
