QR Code Link to This Post The apartment is on the first floor on the corner of Girard and Hennepin, right across from Red Cow, OrangeTheroy, and Wallgreens. You will be living with two 23 year old male law students who are very easy to get along with. They usually are very busy during the week with school and work , but like to have a good time on the weekends. We tend to keep the party away from our apartment, but we're not clean freaks by any means. There is coin operated laundry in our building plus a laundry mat right across the street. Parking is on the street and I've never had issues finding a spot. The apartment will not be furnished in your bedroom, the rest of the apartment will.
