QR Code Link to This Post I have a puppy I am guessing to be about ten wks old. He was a rescue so I don't know much about him. He loves people including kids although he is a little shy at first sometimes. He does great with the other animals including cats, small dogs and large dogs. He is looking for his forever home. He looks like a boxer mix with floppy ears and a docked tail. There is a small rehoming fee.
