QR Code Link to This Post Samuel Ronan for Congress of the 1st District is looking for interns and volunteers.

We are seeking bright energetic people to help Samuel Ronan win this seat. To learn more about his Platform #21stCenturyNewDeal visit his site.  
<https://www.ronanforcongress.com/>

We need help on the ground and online, as well as people that have spare time to phonebank for Sam. Obviously for on the ground volunteering such as door knocking helping get the message out locally and perhaps even help to organize rides on election dates you will need to be located in the 1st District of Ohio, But we are looking for many types of volunteers and interns that would have the ability to work remotely online, and or in the field to help promote the message.

If you are interested feel free to email me back with information on what skills you can contribute and we will try and make the most of your talents. You can also go directly to the volunteer section of the website and apply there.
