QR Code Link to This Post This little guy should not grow over 14 inches. He will likely grow to under 15 pounds. This little guy is a fluffy adorable fur baby. Great temperament. Loves people. He will become your shadow and will follow you everywhere. He's been socialized with other dogs, cats, and children. He will make an excellent companion you can take everywhere He's very smart and trainable. He has the cutest eyeliner mark on one of his eyes. My favorite out of this litter. He comes up to date on shots and will be ready to go to his forever home on December 14, 2017. Not cheap, not.
