The sixth-generation Camaro improves upon the outgoing model in every way, making it even more competitive with rivals like the Ford Mustang and Dodge Challenger. The turbocharged 4-cylinder returns impressive fuel economy, and the available V6 is the most powerful in its class. With upgraded cabin materials, selectable driving modes, and slick retro-modern styling, the 2017 Camaro is hard to beat.. For 2017 Chevrolet have added the 1LE package to their just-redesigned Camaro. Aimed at buyers who intend to use their Camaro on the racetrack, the 1LE package features stiffer suspension, better brakes and stickier tires. Previously a V8-only option, 2017 marks the first year that the coveted 1LE package will be available on V6 Camaros as well.. Model Strengths: Efficient, powerful engines; interior quality; standard features; performance; convertible availability.
