QR Code Link to This Post Our pigeons have been busy this year and so we am giving away many of our Show-type Racing Homing Pigeons to good lofts! Please contact us if you are interested in stocking up your loft or are interested in starting this fun and exciting hobby.

Note: These birds are not like parrots that you can put alone in a small cage; you must have a loft where the birds can fly around.

Pictured are some of our birds...if interested, feel free to let us know the quantity desired, however, this offer is subject to availability (we have already picked out the birds that we are willing to give away).

We are located in Annandale, VA. Must pick up; we will not ship them. Please include your phone number to speed things up! Thanks for your.
