At Anointed 2 Serve Childcare Services, we are passionate about serving the families of children and special needs adults through a unique on-call experience with a certified provider. We offer more than 20 years of hands-on experience in the childcare industry, as well as in-depth knowledge of early childhood education and special needs care. We also have the strong desire and ability to administer high-quality care in a safe and nurturing environment.

What sets us apart from our competitors is our ability to provide anytime care for our clients in the location of the family's choosing - a priceless convenience!
