At the Move Cheap® Cincinnati Movers, we've made it our mission to change the moving industry and make moving more affordable and accessible for our customers. Since 2005 we've innovated new moving labor programs and worked hard to keep our prices at a minimum. We've opened a retail store to become your 'one-stop-moving-shop', and are the FIRST and ONLY Cincinnati moving company to offer our customers an online moving calculator so they can estimate the cost of their move. Come experience the Move Cheap® difference today and find out why thousands of your Cincinnati neighbors choose Move Cheap® on their moving day!

The Move Cheap Cincinnati Movers retail store is conveniently located at 4311 Mt Carmel-Tobasco Rd, Cincinnati, OH 45244. Our customers can rent their moving trucks directly from us as we are a Certified U-Haul Dealership! Mobile storage is also a snap, as you can come and view one of our on-site U-Box Storage Pods, and set up a date for delivery of your U-Box. We also carry a full array of boxes and moving supplies for you to purchase as well as our revolutionary Recyclabox, the plastic moving box you rent. And, as always, you can still hire The Move Cheap Cincinnati Movers to load and unload your belongings at the price and quality you've come to know city-wide.

You rent the moving truck (Uhaul, Penske, Budget, etc.), and we charge low hourly rates for all of our services whether it be packing, unpacking, loading or unloading. We're also a licensed and insured company. We don't just carry liability insurance (like other moving labor services), but care & custody insurances also! You're covered with us! Our staff are all background checked and uniformed so you know you're in good hands! Please feel free to visit our website at <https://www.movecheapcincinnati.com> or you can call us at .
